

# Feast Market Booking Form

**Saturday 7<sup>th</sup> July 2018, 9am – 12.30pm**

Histon and Impington Feast is an annual celebration during which the villages raise money for the local community. The Feast Festival in 2017 closed the High Street in Histon and featured stalls and attractions on the road.

**The next Feast Festival will be on Sunday 30<sup>th</sup> June 2019.**

This year, we will be running a lower key market event and are inviting stall holders from previous events to attend. There is no planned entertainment, it is a traditional, popular Feast Market on the village green on Saturday morning. All funds raised go to local causes.

Stall Pitch Fees:   **£15 for local community/charity**  
                              **£22.50 for commercial/business**

- The fee is payable in advance and includes a table approximately 1.8m by 0.75m.
- Pitches are approximately 3m by 3m. If you require more space you should book extra pitches.
- Bring your own chairs and other protection in the event of sun and/or rain.
